Dear Sir:

This paper is submitted in response to a non-final fourth office action dated November 9, 2004 ("Fourth Office Action") in which the Examiner rejected claims 13 and 15-18 under 35 U.S.C. §§112, par. 2 and 1010 and rejected all the claims as obvious (35 U.S.C. §103) over cited art. On January 19th, the attorney for Applicants and the Examiner held a phone interview discussing the rejection. Applicants discussed the Section 112 and 101 rejections and an amendment to claim 13. Applicants further discussed an amendment to the independent claims concerning a second authentication as part of a local logon to further distinguish over the cited art. The Examiner seemed inclined to agree with applicants that these amendments could overcome these rejections, but that he would need further consideration of these matters. Applicants have amended certain claims and submit that all pending claims 1, 3-7, 9-13, and 15-18 are in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.
Remarks/Arguments begin on page 8.
